The Honorable Kevin J. Martin  
Chairman  
Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear Chairman Martin:

Thank you for taking time out of your busy schedule to meet with me. I appreciated the opportunity to talk with you about issues important to NAB and its members. As I mentioned, we are very interested in moving forward to address the outstanding issues on broadcast ownership. The NAB Board of Directors has long endorsed revision of the TV duopoly rule to permit stations in small and medium markets to better compete in the video marketplace and repeal of the newspaper/broadcast cross-ownership rule. NAB will be following up with you and your fellow Commissioners on this and the other issues we discussed, including satellite radio and its relationship to terrestrial radio.

It was a pleasure to hear your views on the challenges facing the NAB and the broadcast industry. Please feel free to contact me at any time if you have issues you would like to discuss.

Sincerely,

David K. Rehr
